## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-8 are allowed.
2. The following is an examiner's statement of reasons for allowance: Applicant has modified the base claim to further distinguish the types of words found on the cards of the invention. This specificity coupled with the highly specific structure and interrelation of principle and strategy cards, acronyms, and card hierarchy has not been found in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Fleming whose telephone number is (703) 308-8565.
